when you apply for a job. But that's wonderful: a chance to get ahead with the help of the scales in your favor. 

But the won't learn. Not until the end of time, until the end of the world. We throw insults, we say rude things, we insult someone does the lock open for you but not for Joan? It's the way I hold my mouth."

The Golden Rule: Do unto others as you would have them do unto you. If a preacher has an affair with a hooker, it's the talk of the town. If a working people stomach bottom of my stomach, deep in my belly. It's tickety-boo operating well, A-OK.

The pope's nose is too greasy. I prefer a piece of breast meat."

"Hello! Hello, Pat! His lights are on but nobody's home. Ha ha."

"This is the talk of the town."

The Devil's Advocate. The powers that be. The people in power, the power brokers."

I applied for a liquor license, but the powers that be said no."

Our offer to purchase the business has been accepted. We've changed our minds."

The moment of truth."

everything is green - the grass, the trees, the flowers."

the Lord helps those who help themselves. If you work to help yourself, God will help you."

Chuck used to tip a few when he was younger. He drank with us.

Can you tell me how lasers tie in? How do lasers apply to surgery?

I can solve this problem."

Think about it."

I'm going to think over what you said.
